

The H1N1 Vaccine is arriving in Northeast Nebraska in **VERY SMALL** numbers

These Priority Groups can get the vaccine first:

- Healthcare Workers (including EMTs)
- Pregnant Women
- People ages 6 months through 24 Years
- Caregivers and Close Contacts of Children under 6 months of age
- People age 25 through 64 years with certain ongoing health conditions

We ask your patience as Northeast Nebraska Public Health Department works with local healthcare providers to distribute the vaccine.

[Watch here for more vaccine information soon.](#)
