Network of Care™

The Network of Care for Service Members, Veterans & Their Families is a one-stop-shop for virtually all services, information, support, advocacy, and much more. This public service is an attempt to bring together critical information for all components of the veterans' community, including veterans, family members, active-duty personnel, reservists, members of the National Guard, employers, service providers, and the community at large.

Click the logo above to visit the website.

Center for Rural Affairs and Legal Aid of Nebraska are teaming up to "provide veteran farmers an avenue to network and an opportunity to discover resources and services that are readily available to them."

Click the logo above for information on farming and ranching resources for the beginning farmer.

Take Flight Farms

Equine Assisted Psychotherapy (EAP) incorporates horses experientially for a powerful and effective therapeutic approach that addresses a variety of mental health needs including post-traumatic stress disorder (PTSD), substance abuse, depression, anxiety, and communication needs. **Click the logo above to visit the website for program details**
